Appeal for Co-operation

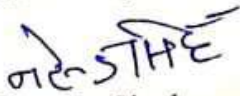

Date: 14.03.2023

Dear friends,

The Federation has called a special general body meeting on March 25, 2023, for the upcoming triennial elections, whose formal notice was issued to all members on March 02, 2023. A few suggestions have been received from some colleagues to postpone the meeting to be held on March 25 due to Ramzan. It is informed that Federation has already booked ND Tiwari Bhavan for the meeting and many colleagues have also booked round trip tickets to attend the meeting. The Federation had sent a Whatsapp message on 25<sup>th</sup> February, 2023 asking all the members for no objection/ suggestions for the March 25 meeting, but after no objection was received from any of the colleagues on the proposed date, the election schedule was announced on March 02.

All the Central Government of India, Union Territories and the members authorized by the drivers federations/associations/committees of the states can take part in the elections of the Federation as per the rules. I request all the drivers of the Central Government, Union Territories and States of India to send the names of five members to the Federation by March 20 after depositing the membership fee of the last three years at Rs. 2100 / per year of their respective states so that the voter list can be finalized for the election. The voters in the voter list shall be eligible to file their nominations for election from the voter list.

The Presidents/General Secretaries of all the state drivers' federations/associations/committees are requested to cooperate in order to conduct the elections of the federation in a peaceful manner as per the rules.

  
Narendra Singh  
General Secretary
